

**Recommendations of the Transfer Committee for Annual General Transfers-2024
for Transfers of Group 'A' Assistant Nursing Officers**

The members of the Transfer Committee for Group-A Nursing Officer are following: -

- (1) Dr Kamlesh Harish, Medical Commissioner (MA)
- (2) Dr Madhu Gupta, Deputy Medical Commissioner (MS)
- (3) Shri Girish Kumar Kain, Deputy Director (Medical Administration)

The transfer committee convened on multiple occasion to deliberate the matter.

The current Transfer Policy dated 14.12.2022 of Group 'A' Nursing entails three types of transfers:

1. Tenure Completion Transfers (i.e. after 6 years of continuous working at one place/region)
2. Transfer on request (after completing 3 years at a place), and
3. Transfers on compassionate grounds (tenure at one place is < 3 years).

Total 242 Assistant Nursing Officers have filled options in AGT 2024 in various categories as per offline data received from ICT division through E-mail. The data shared by ICT comprises of 20978 employees which after segregation comes out to be 242 in the applicable category.

Tenure completion transfer: A total number of Assistant Nursing Officers (175) have become eligible for Tenure Completion Transfers (6 years or more tenure) as per the Transfer Policy, 2022 dated 24.12.2022.

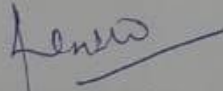

Request Transfer: Total 56 applications received in 'Request transfers' category out of which 15 are eligible under Request Transfer per clause 4.2 (ii) of Transfer Policy, 2022 dated 24.12.2022.

Compassionate Ground Transfer: Total 11 applications received in 'compassionate ground transfer' category. As per clause 4.2 (iii) of the Transfer Policy, 5% of the total applications received (Tenure Completion + Request Transfer category) have to be considered in the compassionate category i.e. (5% of (175 + 56) = 12). Therefore, all 11 applicants are recommended for retention at the same place of posting as requested by them.

In view of the above the committee recommends the following: -

Total transfers of Assistant Nursing Superintendents recommended in AGT 2024 are 24 (Tenure Completion, 10% of 242 applications as approved by the competent authority -**Annexure-I**), 14 Request Transfer (**Annexure-II**), 11 requests for retention on compassionate ground at the present place of posting (**Annexure-III**).
